MAURER-STUTZ
ENGINEERS SURVEYORS

Survey Technician

ANY EXPERIENCE LEVEL

POSITION DESCRIPTION

Maurer-Stutz, Inc. is seeking a Survey Technician to join our surveying team in Peoria, Illinois. This position will assist Professional Land Surveyors with field surveys and office support on transportation, municipal, agricultural, and private projects. Work includes topographic, control, boundary, construction staking, and as-built surveys. Field work is expected year-round. Candidates should work well independently and on a crew, have a desire to learn, and demonstrate technical and communication skills.

EXAMPLES OF RECENT SURVEYING PROJECTS:

- Topographic and control surveying for the I-74 and Pinecrest Drive interchange bridge replacement in East Peoria, Illinois, including elevation data and alignment control for design and construction.
- ALTA/NSPS land title, boundary, and right-of-way surveys for municipal and private sites, including control, monumentation support, and field evidence collection under a Professional Land Surveyor.
- Construction staking, as-built, and quality-assurance surveys for roadway, utility, and site projects, including layout, topographic updates, and field documentation for design and construction staff.

SURVEY TECHNICIAN RESPONSIBILITIES:

- Assist with topographic, control, boundary, construction staking, and as-built surveys
- Operate GPS/GNSS, total station, level, and data-collector equipment under direction of survey staff
- Record field notes, photos, point codes, and sketches; download and organize field data
- Assist with CAD drafting of survey plats, base maps, and existing-site drawings
- Work outdoors in varying conditions and travel to project sites as assigned

BASE REQUIREMENTS:

- Bachelor's or Associate's Degree in Surveying, Geomatics, Civil Engineering, Construction Technology, or a related field, or equivalent field survey experience.
- Attention to detail and good problem-solving skills
- Good written and verbal communication
- Good interpersonal skills
- Experience with Microsoft Office

WHY JOIN MAURER-STUTZ?

At Maurer-Stutz, Inc., we offer the best of both worlds—the expertise and impact of a top-tier engineering firm with the agility and close-knit culture of a small business. Our mission, *Working with you by design*, drives everything we do, from building strong client relationships to delivering high-quality solutions with integrity and collaboration at the core.

When you join our team, you're not just another employee—you're a valued contributor with direct opportunities to make an impact. As a small engineering firm, we provide early exposure to client interactions, project management, and leadership opportunities that larger firms often reserve for later in your career.

We value:

- Integrity – Doing what's right, always.
- Collaboration – Working together to create the best solutions.
- Quality – Setting the bar high in everything we do.
- Mentorship – Supporting your growth through hands-on learning and guidance.
